## THE WEST VALLEY LIGHT OPERA ASSOCIATION

The object of the Association is to promote cultural activity in the area and to provide opportunities for drama students and others who have dramatic aspirations to take part in theatrical productions under the guidance of professional directors. West Valley Light Opera is fortunate to have secured the services of Mr. Sherwood Goozee as Director. His picture and past accomplishments appear elsewhere in the program. It was under his skillful direction that our first show of this season, "Oliver", was produced. We sincerely hope that you enjoy our shows. Should you feel inclined to become a member, our representative will be happy to explain the advantages of membership.

### THE OVERTURES

One unique feature of this Association for players is that we operate the entire year. To accomplish this, a group was formed from among our membership. This group is called THE OVERTURES. They consist of six males and six female singers, two pianists, a Director-Choreographer and a Lighting Director. The OVERTURES provide a training ground for stage presence and experience to newcomers to our group, a pool of talents for our productions, and maintain interest on the part of our players between shows. They are available at reasonable rates to perform for business, civic and fraternal organizations. For information please write to the Association or telephone 243-5353 or 356-6410.

## DIRECTOR SHERWOOD GOOZEE

Directed by Sherwood Goozee, who has been busy since his graduation from the University of the Pacific, acting and serving as a stage manager. Mr. Goozee, while in the navy, initiated the Hilltop Playhouse on the island of Guam; on Broadway, he acted in *A Thurber Carnival*, stage managing credits include three seasons of summer musical stock in New York and a season with the Hyatt Music Theater. Married to Priscilla Morrow, an actress he met when both were playing summer stock and with two small children, he chose four years ago to leave the professional theatre in favor of seeing his family more often. Mr. Goozee, who is now teaching in the San Jose school system, spends his summers working in theatrical productions.
