WEST VALLEY LIGHT OPERA ASSOCIATION

The object of the Association is to promote cultural activity in the area and to provide opportunities for drama students and others who have dramatic aspirations to take part in theatrical productions under the guidance of professional directors. West Valley Light Opera is fortunate to have secured the services of Mr. Sherwood Goozee as Director. His picture and past accomplishments appear elsewhere in the program. It was under his skillful direction that our first show of this season, "Oliver", was produced. We sincerely hope that you enjoy our shows. Should you feel inclined to become a member, our representative will be happy to explain the advantages of membership. For information write to P. O. Box 779, Los Gatos, or phone 356-6410.

THE OVERTURES

One unique feature of this Association for players is that we operate the entire year. To accomplish this, a group was formed from among our membership. This group is called THE OVERTURES. They consist of six males and six female singers, two pianists, a Director-Choreographer and a Lighting Director. THE OVERTURES provide a training ground for stage presence and experience to newcomers to our group, a pool of talents for our productions, and maintain interest on the part of our players between shows. They are available at reasonable rates to perform for business, civic and fraternal organizations. For information please write to the Association or telephone 269-3095 or 356-6410.

SHERWOOD GOOZEE has been active in the theatre since graduation from University of the Pacific. Mr. Goozee, while in the Navy, initiated the Hilltop Playhouse on the Island of Guam. On Broadway he acted in "A THURBER CARNIVAL". Other credits include three seasons of summer musical stock in New York, professional road tours, and a season with the Hyatt Music Theatre. Mr. Goozee, who

is now teaching in the San Jose school system, spends his summers working in theatrical productions. The West Valley Light Opera shows directed by Mr. Goozee are: "OLIVER", "HERE'S LOVE", "ONCE UPON A MATTRESS", "BELLS ARE RINGING", "GUYS AND DOLLS" and "GYPSY".

MARION LINDSAY recently moved to this area from the Eastern seaboard where she was deeply involved in regional theatre. She brings to West Valley a broad educational background with richly diversified experience in matters pertaining to the theatre and the dance.

Mrs. Lindsay has been a member of Dance Educators of America since 1956. She has studied with some of the finest teachers of dance in the country, principally in New York City, and has had extensive training as a choreographer. She taught stage movement and dancing on the faculty of the Pittsburgh Play House, and for over ten years operated her own studio. In addition, Mrs. Lindsay has choreographed and directed several musical productions.

DANCING NIGHTLY

SEVEN DAYS A WEEK

Take Highway 280 to Highway 85, north to El Camino Real, go east, left at first light on Bernardo -- you're at the **STARDUST**.

NORMA HUGHES commenced her theatrical career at the age of three, at a picnic in Des Moines, Iowa; following that premiere she enjoyed quite a run, performing the same song and dance routine on the sidewalk in front of her home in Des Moines.

After receiving a degree at Drake University she did secretarial work and commercials with STATION KRNT. Moving to San Francisco, she did continuity writing and secretarial work for KPIX-TV.

Both in Des Moines and in San Francisco Norma took part in amateur theatricals, most recently playing the part of Miss Cratchitt in West Valley's production of "GYPSY".

The mother of two girls, Norma lives with her husband Robert and daughters in Santa Clara.

Her portrayal of Daisy Gamble (Melinda Wells) in this production marks Norma's second appearance in a West Valley Light Opera production.

TED O'BRIEN, who portrays Dr. Mark Bruckner, is a newcomer to West Valley Light Opera Association.

It is of interest to note that Ted, who plays the part of a hypnotist in the play, is actually a professional hypnotist himself. He is a former vice-president and one of the founders of the International Guild of Hypnotists. In his career he has performed extensive therapeutic work with psychiatrists and medical doctors. Ted has also performed as a hypnotist

in night clubs, and has had over ten years of experience as a professional singer working club dates in the Midwest.
